

## Empresas Constructoras

### NOTA IMPORTANTE:

El presente listado comprende las Empresas Contratistas que han cumplido los requisitos establecidos en la normativa vigente y en particular la Norma NAG 113, para estar inscriptos en el Registro de Contratistas. La situación de cada matrícula se encuentra detallada en la columna respectiva. Se recomienda verificar el estado de situación de la matrícula de cada Contratista en forma previa a su contratación, la que deberá estar actualizada al año en curso.

COOP-HER es ajena al vínculo contractual entre la Empresa Contratista y el Futuro Usuario.

COOP-HER no garantiza ni asume responsabilidad alguna respecto del cumplimiento contractual de la Empresa Contratista, limitándose al control técnico de la ejecución de la obra en los términos de la normativa vigente.

Ordenadas por Provincia, Localidad y Matrícula.

| Provincia    | Localidad       | Mat.    | Año hab. | Contratista                                                                  | Representante                  | Dirección               | Correo                                                                                                  | Teléfonos                                    | Redes PE | Redes Acero | Gasoductos y Ramales                | Cap.
